

Member requests for information and networking:

As GACE Members are encouraged to network. We all work within local jurisdictions and we all are purposed to ensure we provide excellent services to promote our cities and counties cleaner and safer for everyone.

The following questions and discussions are brought by Members of GACE. We ask that you take time to communicate and network.

I: Request: From: **Keith A. Kenney**

Code Enforcement Manager

Office: 770-817-6725

kkenney@roswellgov.com

1. What are the most commonly used PPE devices used by Code Enforcement Officers in the State (i.e. - ballistic vest, pepper spray, ASPs, etc.)?

1A. What company are you using to outfit any PPE gear?

2. What, if any, software programs or companies are you using to track Short-Term Rentals?

2A. Is it working for you?
