

Chris Branan

Good day, fellow GACE Members

I'm considered a dedicated person by my family, friends and co-workers. I've tried to live up to the US Marine Corps code of Honor, Courage & Commitment in my personal and work life.

After my Honorable Discharge from active-duty, I worked for the state of Georgia in several different capacities. GA DOT-16 years and GA Dept of Corrections-3 years. After my state employment was over, I worked in the security field for 20+ years.

In 2022, I accepted a position in Code Enforcement for Newton County. In January 2025, I accepted a position with the City of Porterdale as their Code Enforcement Officer, where I am currently employed.

I have obtained Level 1 and Level 2 Certifications from UGA and am currently working towards my Level 3

Code Official Safety Specialist course completed

Former active-duty US Marine-8 years

20+ years security experience

Well versed in parliamentary procedure

4+ years in code enforcement
